5-Day Amboseli and Tsavo Safari

Elephant country beneath Kilimanjaro, then the wide wilderness of Tsavo.

Duration **5 days / 4 nights**

Starts **Nairobi (departure location agreed at enquiry)**

Ends **Nairobi (other drop-off points can be quoted)**

Day by day

Day 1 **Arrival and Travel to Amboseli**

Meet at the confirmed departure location and travel to Amboseli, with planned stops along the way. Check in at the selected accommodation and settle in, with lunch where included. If an afternoon game drive is part of the final package and conditions allow, set out as the heat of the day eases and the light turns golden over the plains. Dinner and an overnight stay follow at the lodge or camp.

Meals: Lunch, Dinner · Stay: Lodge or tented camp near Amboseli (to be confirmed) · Transport: Travel time depends on road conditions, stops and the departure point.

Day 2 **Amboseli Safari**

Spend the day exploring the park through the agreed game-drive schedule. The open landscape is a fine setting for wildlife viewing and for landscape photography, with swamps and waterholes that draw animals and birds. Views of Mount Kilimanjaro depend on weather and visibility, and may be clearest early or late in the day. Meals are taken at the accommodation or in the field according to the confirmed arrangement.

Meals: Breakfast, Lunch, Dinner · Stay: Lodge or tented camp near Amboseli (to be confirmed) · Transport: Game drives are in the safari vehicle with the driver-guide, following park rules.

Day 3 **Transfer Toward Tsavo**

Depart Amboseli after breakfast and travel to the selected Tsavo accommodation. The final itinerary must specify which Tsavo park is included and confirm the route and transport arrangements; this sample uses Tsavo West. An afternoon activity, such as a short game drive, is included only if it is operationally feasible once the journey is complete. Dinner and an overnight stay at the lodge or camp.

Meals: Breakfast, Lunch, Dinner · Stay: Lodge or tented camp near the selected Tsavo park (to be confirmed) · Transport: The route and journey time depend on the Tsavo park selected, road conditions and stops, and are confirmed in the final itinerary.

Day 4 Tsavo Safari

Enjoy guided wildlife viewing and time to take in the landscape, which in Tsavo West can include volcanic hills, rocky outcrops and thick bush. The actual activities depend on the selected park, the accommodation location and the agreed schedule. Where visitor facilities and park rules allow, the day may include stops at viewpoints and natural features. Return to the lodge or camp for dinner and the night, with meals where included in the confirmed package.

Day 5 Return Journey

Have breakfast where included, check out and begin the return journey to the agreed destination. Confirmed drop-off arrangements are provided in the final itinerary, and travel times depend on the route, road conditions and stops along the way. We recommend keeping any onward plans for the same day flexible, so that the end of the safari does not feel rushed.
